Experience

Bloc | UX Design Student

2018 - Present, Remote

- Completing a project-oriented program with front-end development work under supervision of a senior UX professional

MTV Networks | Executive Assistant

2015 - 2017, Los Angeles

- Gave notes on scripts and episodes of shows in production
- Represented the network on digital media shoots
- Tracked status of all projects in development and sent weekly updates to other departments

Verve Talent & Literary Agency | Executive Assistant

2014 - 2015, Los Angeles

- Managed two high-volume agent desks: rolling calls, managing schedules, filing expense reports, and arranging travel
- Regularly updated database for all projects in development at dozens of studios and networks

Mad Chance Productions | Development Intern

2013 - 2014, Los Angeles

- Wrote reports on feature-length scripts and books for possible development

Education

Southern Methodist University

2007 - 2011, Dallas

BA Film & Media Studies, Minor in Computer Science
